

Curious where recycling goes? How is it processed? and Where does it end up?

Visit ECCO Recycling for complimentary lunch & educational tours!
SATURDAY, SEPTEMBER 23rd, 2017 10:00am-4:00pm
10114-24th Street SE Calgary

This Year we are excited to present a unique opportunity to see a variety of recycling & recovery processes. We have paired with Green Calgary, Waymark Solutions, Gasonic group, Re-Matt, Recycle Logic and Castle Toys for a behind the scenes glance into Construction & demolition, Blue bin material, metal, electronic, composting, Light bulb, mattress recovery and recycling process.

The educational tour of our Materials Recovery Facility & landfill operations consists of an up-close look at the daily operations, environmental control systems, recycling programs, and recycling best practices. This year we offer 2 tours for our visitors, and are welcome to attend both or just one!

- Complimentary lunch & refreshments from 11-3pm
Guided Landfill, Chips, Material Recovery Facility tours (every 20-30 minutes)
