

## Reducing your environmental footprint: recycled jigsaw

[Put activity description here].

*Suitable for ages:* grades 1-6

*Curriculum links:*

- Elementary fine arts: reflection, depiction, composition and expression
- Grade 1 science: building things
- Grade 3 science: building with a variety of materials
- Grade 3 science: testing materials and designs
- Grade 4 science: waste and our world

## Instructions

*What you will need checklist:*

- Piece of recycled cardboard
- Coloring pens or paints to create your picture
- Scissors
- A recycled box to store your jigsaw in

*Instructions:*

1. Get a piece of recycled cardboard
2. Draw a picture, or print one and attach it to the cardboard
3. Turn the cardboard over and draw a jigsaw design. You could get creative with your jigsaw design
4. Cut out your jigsaw pieces – you may need to ask an adult to help you.
5. Complete your jigsaw
6. Why not design a box for your jigsaw too?

### Did you know?

You can reduce your environmental footprint by exchanging jigsaws with friends rather than buying new ones.
