

Clean Green! Make a reusable cleaning bottle

In our other activity this week you will learn how to make your own eco-friendly cleaning products. This activity shows you how to create your own reusable bottle for your cleaning products so you can minimize your plastic waste!

Suitable for ages: all ages

Curriculum links:

- Art and creativity!
- Can add language arts links if students choose to study bottle labels and create their own

Instructions

What you will need checklist:

- Clean spray bottle
- Marker pens
- Stickers (optional)
- Labels could be created on a computer and printed onto sticky labels

Instructions:

1. Look at a cleaning product that you bought in a store. What is included on the label? List everything you can see: brand name, ingredients etc
2. Create your own brand name!
3. List the ingredients used in your cleaner and create the label
4. Decorate your bottle!

Did you know?

Lemon juice can be used as a natural stain-remover!
