

# Greenin' Your Stampedin' with Green Calgary

Total Waste Diverted

1,124 kgs

We diverted a majority of the waste generated at the stampede events we did this year, resulting in hundreds of kilograms of waste being either composted or recycled.

Total # of Educators

15 Volunteers

Volunteer waste educators provided over 100 hours of educating the general public to use the right bins; keeping contamination low & ensuring more waste was diverted from the landfill!

Total # of Inquiries

346 Inquiries

We answer many inquiries from event organizers and organizations looking to reduce the environmental footprint of their stampede events. Our helpdesk is free!

Total # of Resources

97 Guides

We offer workshops & free resources to help you plan a greener event; from choosing bins & signage, to training volunteers, to ordering the right foodware, we cover it all.

Since 1978, we've been a leading urban environmental charity empowering Calgarians to green the way we live, work & play.

Contact us to help green your next event. We pioneered event greening in Calgary over a decade ago with the Calgary Folk Music Festival. Since then we've help divert 1000s of kgs of waste from the landfill!
