

Soil Health Experts

# SoilPerfect<sub>Rx</sub>

## Organic Granular Fertilizer (9-3-3) Plus Humics – 10 kg (22lb) BAG

### Key Uses:

- %100 ORGANIC All Natural
- Child & Pet Safe
- Granulated for easy application
- Ingredients are slow release for longer lasting results
- Non burning
- Holds nutrients until the turf is ready to use them
- Reduced frequency of feeding

## SoilPerfect<sub>Rx</sub> Organic Granular Fertilizer (9-3-3) with micro-nutrients.

**Usage:** Measure the amount of turf to be covered. The 10 Kg (22 lbs.) bag covers 400 square meters (4200 square ft.). Apply in early spring, mid summer and early fall.

**EnviroPerfect Solutions Organic Granular Fertilizer** "holds" its nutrients until the turf is ready to use them, reducing the frequency of feeding while providing you and your clients with peace of mind knowing they are using a safe, 100% ORGANIC product that isn't going to cause harm to either your clients or the environment.

### GUARANTEED MINIMUM ANALYSIS

Total Nitrogen (N)	9%
