

Sustainability Series: Fall 2015

Soap Making 101

Sat. Nov. 14th @ 10 am - Noon

Location: Soap & More, 3830 7 St SE Calgary

Cost: Green Calgary Members: \$75 NonMembers: \$95

Homemade soap is as effective as conventional soaps; isn't laden with chemicals & is inexpensive to make! Join Green Calgary and the experts at Calgary's Soap & More in this exciting hands-on workshop! Learn the basics of making cold process soap including the chemistry of soap-making, what tracing is, and how to add scent. You will get to make and take home 1 pound of your own soap.

Items to bring: Close-toed shoes, long sleeves and pants, a clean towel to wrap your soaps in, and a reusable bag to carry any other purchases in. Please note: you must be 18 years old to participate.

Workshop includes: all ingredients and equipment.

Members: \$50 NonMembers: \$65

Availability is limited so register today to hold your spot. Questions? Please contact Jori (jori@greencalgary.org) 403.230.1443 ext. 223. Thank you.
