### Sustainability Consult

**\$275.00 / \$250.00**

A 45 Minute tour to discuss and explore sustainable opportunities for your workplace.

The sustainability consult will:

- Identify unsustainable practices in the workplace
- Discuss your sustainability goals
- Answer sustainability questions

A Green Workplace Consultant will provide written recommendations that identify opportunities to reduce waste, discuss non-toxic cleaners, and explore options to reduce energy/water use.

\*some conditions apply; contact us for more information.

### Corporate Lunch & Learns

**\$275.00 / \$250.00**

A 50-minute presentation that takes place in your office on a variety of topics to engage your staff to green the way they live, work, and play. Topics include:

- 12 Steps to a Greener Home
- The Ins & Outs of Composting
- Waste in the Workplace
- And much more!

Our Corporate Lunch & Learns are a great way to engage your staff in a way that aligns with your company’s sustainability values. Click here for a full list of topics available: <http://www.greencalgary.org/green-workplace/workplace-presentations>.

## Waste Workshop for Business

### FREE FOR A LIMITED TIME (SOME CONDITIONS APPLY)

A 1.5 hour long workshop that engages staff on strategies for dealing with waste generated in the workplace

#### The workshop will include:

- A review of recent City of Calgary bylaw changes
- How to create a successful green team
- How to reduce waste generation
- How to ensure compliance

#### In order to be eligible for the free workshop we require:

- 25 attendees to register
- A venue with a projector/screen and access to wifi

## Event Greening

### ASK US FOR A QUOTE

A service where Green Calgary will assist in reducing waste, energy and water generation and consumption at your corporate event.

#### Event Greening services may include (as required):

- Waste reduction & recycling programs
- Green procurement
- Ethical food options
- Measurement & reporting
- Hauler coordination

As events vary in scope and size, we recommend you meet with one of our consultants to discuss your needs and goals in order to develop a quote.

## Spot Audits

### \$700.00 / \$550.00

Spot audits are a great tenant engagement tool, which helps educate tenants on what is being thrown out at their building as well as receive feedback on the current recycling programs in place.

#### Includes:

- 4 hours on-site showcasing 1 days worth of waste
- Feedback from tenants on recycling programs
- Active tenant engagement

## Waste Assessments & Audits

### ASK US FOR A QUOTE

A means to measure the overall rate of waste diversion and the composition of waste and recycling streams to provide a baseline with which to guide future waste management initiatives and goals.

#### Includes:

- Pre-assessment
- Visual or sort and weigh assessment of all waste and recycling streams
- Comprehensive report detailing results, areas in need of improvement, and recommendations
- BOMA BEST and LEED compliant
- Ongoing communication and support

## Other Waste Consulting Projects

### ASK US FOR A QUOTE

We can provide a wide range of waste consulting services including; program implementation, customized tenant education, and support in ensuring compliance with current and upcoming municipal bylaws. Contact us to determine your project's scope and a quote on the cost.

## Recycler Directory

### FREE TO ACCESS

Green Calgary also provides a FREE Recycler Directory on their website listing haulers who collect various items for recycling from businesses, organizations and multi-family buildings in and around the City of Calgary. The directory can be found here: <http://www.greencalgary.org/recycler-directory/>

As part of the Recycler Directory, Green Calgary provides a verification program to ensure that registered haulers are recycling materials they pick up as they indicate on their directory listing. The verification program is voluntary and haulers can be verified for FREE by contacting our Green Workplace team and providing the necessary documentation and site visit.

**COMING SOON:** Specialty Recycler Directory for both residential and commercial haulers who provide specialty recycling services in and around the City of Calgary.
